

SIMAG

SCH Series

The Perfect Gourmet Cube

FULL CUBES

For over 30 years SIMAG has designed, produced and distributed ice machines around the world. SIMAG products are continuously updated to provide the latest technology and their machines undergo strict quality controls during the production process to ensure every item is produced to the highest standards. SIMAG ice machines are easy to use, reliable and price competitive.

RELIABILITY + QUALITY:

- SIMAG products are produced in Italy, by Scotsman Ice Systems, an Ali Group Company. Ali Group is one of the largest global leaders in the food service equipment industry.
- The SCH Series comes with a 3-year parts (5-year on compressor) and labour warranty.
- SIMAG has the same Preferred Authorized Service Partners as Scotsman Ice Systems in Canada, these Service Providers are all trained and highly knowledgeable.
- The SCH Series produces the perfect gourmet ice cube. It is clear, solid and has a small depression on its bottom side of 3-4 mm, which is the type of ice your customers want!

HIGH EFFICIENCY:

- The SCH Series is manufactured with R290 Refrigerant which is ranked as a 4 on the 1-6000 scale used in the Global Warming Predictive Index, which means it is very environmentally friendly!

OTHER:

- SIMAG purchases will count towards your 2020 FSS, Inc. / Scotsman purchases, which will help you achieve the best possible discount!
